Contract for T-Shirt Quilt

Please fill out this form completely and forward it, along with the deposit, to Dawn's Threads at the address above. We will acknowledge your order via email and discuss the details and timeline with you upon receipt. Do not ship your t-shirts until you have coordinated them with us.

Pricing for quilts includes backing, batting, sashing, and border fabric-if applicable, stabilizer for t-shirts, edge to edge quilting, and finishing.

Special fabric fee: Any fabric that requires extra cutting and matching, e.g., plaids, homespun fabrics, and fabrics that easily fray and need special stitching to finish the seams, will incur an additional fee of \$50 added to the price of the quilt.

Regular T-Shirt Quilt

All t-shirts will be cut to the same size. If the number of T-Shirts you have falls between the numbers on the sizes below, you will have to go to a variable size T-Shirt quilt to get them all on the quilt, or depending on their designs; we can do some custom modifications on the t-Shirts to make them fit the size design. There is a charge of \$10.50 for each modification required to make a standard block. Once we get the T-Shirts, we can give you an estimate. You get final approval of the design before we start.
